Re: U.S. v. Hastert, 1:15-cr-00315-1

Dear FOIA Staff:

I would like to formally lodge a FOIA request for any and all information concerning the identity of "Individual A" in the above case, as well as the identities of any other individuals, **in Illinois prior to 1990**, excluding the Defendant, who are part of the investigation or file in the above case.

Since Individual A is apparently not being prosecuted, and there is no ongoing investigation about him or her, I believe that FOIA mandates release of any identifying information about Individual A as well as other individuals who were identified and became part of the file concerning the Defendant's actions **in Illinois prior to 1990**.

Please feel free to contact me if you have any questions.

Respectfully submitted,

ANDY MARTIN
